

# Technical sheet Hold-Line: concept

Available in three styles

Available in three qualities

Stainless steel 18/10 and brass

Stainless steel or silver plated

The technical 'heart' of an induction heat-retaining unit Hold-Line BH/HO 800.

## Induction heat-retaining appliance

- Classic shape, stylish chafing dish with roll-top lid
- Available in 18/10 stainless steel and silver plate with a choice of handles and legs
- Smooth opening action with lid break
- Ventilated lid to maintain optimum climate
- Clean, compact, and easy to use induction heating system
- State of the art technology is extremely economical and reliable in use
- Two heat settings give flexibility and control of food temperature
- Solid construction, engineered for long-term performance
- Three porcelain serving dish options available

## Only the best is good enough

To ensure the perfect performance of the Hold-Line heat-retaining system, the correct porcelain inserts must be used. Our porcelain serving dishes with Inductherm coating ensure even heat transfer without hot-spots. Easy to use and clean, the serving dishes are available in three sizes.

## Operation and control

Lamp operation 5 V DC / maximum 20 mA (green)

Two-stage resistance switch 1-2 kΩ hm

## Dimensions

	W x D x H inch	W x D x H mm	Weight
Chafing Dish "freestanding"	30 1/3" x 18 3/4" x 16 3/4"/19 2/3" *	770 x 475 x 425/500* mm	11 kg / 24.25 lb
Chafing Dish "built-in"	30 1/3" x 18 3/4" x 9 4/5"/12 4/5" *	770 x 475 x 225/300* mm	11 kg / 24.25 lb

lb. (\*highest point at full opening of the lid)

## Technical data

	Voltage	Power	Ceran plate	Weight
Hold-Line BH/HO 800	110/208/230 V	800 W	20 1/2" x 12 2/3" (520 x 322 mm)	13 kg / 28.66 lb

## Accessories

	W x D x H inch	W x D x H mm	Content	Weight
Inductherm porcelain insert 1/1	20 4/5" x 12 4/5" x 2 2/3"	530 x 325 x 65 mm	8.01/8.45 quart	4 kg / 8.8 lb
Inductherm porcelain insert 2/4	20 4/5" x 6 2/5" x 2 2/3"	530 x 162 x 65 mm	4.01/4.23 quart	2 kg / 4.4 lb
Inductherm porcelain insert 1/3	12 4/5" x 6 4/5" x 2 2/3"	325 x 175 x 65 mm	2.51/2.64 quart	1 kg / 2.2 lb
Insert Lid 1/1	20 4/5" x 12 4/5"	530 x 325 mm		
Insert Lid 2/4	20 4/5" x 6 2/5"	530 x 162 mm		
Insert Lid 1/3	12 4/5" x 6 4/5"	325 x 175 mm
